wholesale prices

Our candles and reed diffusers are RRP \$35, however for stockists we offer a 30% discount from this RRP meaning the wholesale cost is \$24.50 per candle/reed diffuser.

We recommend our stockists resell the products at the standard RRP of \$35 however, we leave this up to you to decide if you would like a higher profit margin from them.

Please note that we do not have a minimum order quantity (unless you are ordering custom products), meaning you can order as many products as you like per order subject to product availability.
